The Samhain (pronounced sow-in) Celtic New Year Festival is planning now for its seventh year, to be held Saturday, October 21, 2023 Salem at Willamette Heritage Center. The mission of the Ceili of the Valley Society is to promote Irish and Celtic culture mainly through music and dance. Our goal for this festival is to provide a fun, educational experience for those attending. The Festival includes workshops, food, demonstrations, vendors, and lots of music. We need all kinds of help; both before, during, and after the Festival. *Free Festival admission if you volunteer for 2 or more hours!*
